To the members of the Joint Judiciary Committee

Thank you for your time

My name is Dr. Leon W. Balukas and I live at 296 Mile Hill Rd, Tolland, CT

As a Trustee and Life Member of Rockville Fish and Game Club I respectfully ask you to

Oppose Senate Bill #353. If passed, my target guns would become illegal to sell or

transfer my semi-automatic target guns to my wife or my children. I am a law-abiding

citizen who uses his firearms only for legal and safe sport and would be unfairly

penalized by this restriction.

Please vote against this bill #353.

Leon W. Balukas
